1. Policy Statement

Little Acorns Montessori is committed to providing equality of opportunity and promoting anti-discriminatory practice for all children, families, staff and visitors across our settings in Ascot, Bracknell and Crowthorne.

We believe that every child has the right to be treated with dignity and respect regardless of their age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, or sexual orientation. These are the nine protected characteristics defined by the Equality Act 2010, and compliance with this Act is a legal duty, not optional good practice.

We are committed to identifying and removing barriers that may prevent any child from participating fully in the life of our nursery. We recognise that achieving genuine inclusion requires active effort, reflective practice, and continuous review.

2. Statutory Framework and Legislation

This policy has regard to the following legislation and statutory guidance:

- **Equality Act 2010** — The principal legislation governing equality, prohibiting discrimination, harassment and victimisation on the basis of the nine protected characteristics. This Act replaces and supersedes all previous equality legislation,

including the Race Relations Acts, Sex Discrimination Acts and the Disability Discrimination Act.

- **EYFS Statutory Framework (DfE, 2025, effective 1 September 2025)** — Requires all registered early years providers to promote equality of opportunity and anti-discriminatory practice, ensuring that every child is included and supported. All welfare, learning and development requirements must be delivered in compliance with the Equality Act 2010.
 - **Children Act 1989** — Places a duty on all those working with children to safeguard and promote the welfare of all children.
 - **Children and Families Act 2014** — Establishes the framework for supporting children and young people with special educational needs and disabilities (SEND), including duties on early years providers.
 - **Special Educational Needs and Disability (SEND) Code of Practice: 0 to 25 Years (DfE/DoH, 2015, as currently in force)** — Statutory guidance setting out duties for early years providers to identify and support children with SEND, including the requirement to designate a Special Educational Needs Coordinator (SENCO). Note: The government has announced a programme of SEND reform. A revised Code of Practice is expected to be published in due course. This policy will be updated to reflect any changes upon publication.
 - **United Nations Convention on the Rights of the Child (UNCRC) 1989** — Particularly Article 2 (non-discrimination), Article 3 (best interests of the child) and Article 28 (right to education).
 - **Human Rights Act 1998** — Incorporates European Convention on Human Rights rights into domestic law, including Article 8 (right to private and family life) and Article 14 (prohibition of discrimination).
 - **Counter Terrorism and Security Act 2015 (Prevent Duty)** — Requires registered early years providers to have due regard to the need to prevent people from being drawn into terrorism, and to promote British values including mutual respect and tolerance.
 - **Children's Wellbeing and Schools Act 2026** — Strengthens safeguarding arrangements for children, including requirements for multi-agency child protection collaboration, information sharing, and the promotion of children's wellbeing. Early years providers must have regard to the safeguarding and welfare duties introduced or reinforced by this Act.

Under the Equality Act 2010 and the SEND Code of Practice 2015, Little Acorns Montessori must make reasonable adjustments to ensure that children with disabilities and SEND can participate fully in all aspects of nursery life.

- The SENCO must coordinate support for children with identified SEND, working in partnership with parents, the child's key person and any relevant external agencies.

funding and training to strengthen inclusive provision. The SENCO at each campus will lead on monitoring developments and updating practice accordingly. This policy will be amended as any revised SEND Code of Practice or associated statutory guidance is published.

9. Monitoring, Evaluation and Review

 - In carrying out its monitoring and review functions, Little Acorns Montessori will have due regard to the three aims of the Public Sector Equality Duty (Equality Act 2010, Section 149): eliminating unlawful discrimination, harassment and victimisation; advancing equality of opportunity; and fostering good relations between those who share a protected characteristic and those who do not.
-
